

Introduction

FUG Meeting 8/19/20

Fermi Users' Group

The FUG shall be the primary interface between the user community and Project over its lifetime and assist the Project Scientist in preparation for Senior Reviews of the mission during its operational phase. FUG meetings are a forum for the Guest Investigator (GI) community to provide feedback on the Fermi Science Support Center (FSSC) and the Instrument Teams with respect to the planning and execution of Fermi development and operations.
