

# Confluence outage for upgrade - Saturday October 12 - 600-1800

After several postponements, the upgrade of Confluence, from version 3.2.1 to 4.3.7, is now scheduled for Saturday, October 12th, beginning at 6:00 am PDT. We expect to have the upgraded Confluence back in service by 6:00 pm.

More information about the Confluence upgrade can be found here: <https://confluence.slac.stanford.edu>  
or here: <https://confluence.slac.stanford.edu/display/EntAppsPub/Confluence+4.3.7+Upgrade+---+known+issues>

Please send any questions concerning this upgrade or outage to [apps-admin@slac.stanford.edu](mailto:apps-admin@slac.stanford.edu)
