## **Priority Runs**

This page is to request priority runs. Please add name, date and reason. Pipeline manager will check regurlarly and update the status of it. Each person can only ask for 2 runs in the same day. Pipeline manager will prioritize at his own discretion.

Name	Date	Reason	Runs	Status
Eduardo	July 29	ACD Timing	700000825 - 826	825 not existing in eLog, 826 failed digi stage on pipeline, check in progress
Alex	July 29	ACD Calibrations	700000837 - 838	digi done, needs ACD recon, needs check ACD mapping
