

TDAQ History

Initial Discussions about SLAC Involvement

Material from a phone conference with CERN (Jul/05)

- [Chris Bee's talk on potential HLT projects for SLAC participation \(Jul/05\)](#)
- [Distribution of HLT software: HLT Image](#)

Trigger Algorithm and Timing issues:

- [Talk by D. Damazio](#)
- [Talk by J. Baines](#)

High-Level Trigger Steering:

- [Working Group Page](#)
- [Requirements](#)
- [Development Plan](#)
- [Talk by J. Haller at the PESA Performance and Validation, ATLAS Week \(Jun/05\)](#)

Trigger talks at the Rome Workshop (Jun/05):

- [Trigger Introduction by M. Bosman](#)
- [Trigger Operation by T. Wengler](#)

Further Discussions

- [Andy Lankford's Trigger/DAQ talk at the US ATLAS Western Regional Meeting](#)
- [List of possible HLT tasks from Chris Bee \(Dec/05\)](#)
- [Andrea Negri's suggestions on EF projects](#)
