ITSC Area in SLACSpace

The screenshot shows the SLACSpace interface for the Information Technology SubCouncil. The navigation bar includes links for SubCouncils, SLAC Home Page, Communications, ESH, Facilities, Human Resources, Information Technology, OCFO, and Procurement. The left sidebar contains sections for Documents, Lists, Discussions, and People and Groups. The main content area is titled 'Your Information Technology SubCouncil' and features the 'itsc' logo and a welcome message. Below this is a paragraph describing the IT SubCouncil's role. A table titled 'Minutes and Key Topics of ITSC Meetings' lists records by year. On the right, there are sections for Announcements, Meetings, and Active Tasks. Yellow callout boxes highlight 'Older Content' (pointing to the meeting minutes table), 'Announcements', 'Meetings', and 'Active Tasks'.
