**\*\*Note:** When you are ready to place a purchase order we will need to send you our credit application form to be completed, signed and returned. "A new Purchase Order will not be accepted or entered into production until credit references are reviewed and credit terms are established and agreed upon"\*\*\*

Payment terms to be determined based on Precision Thin Metals Finance Department review.

This quote is subject to the Terms and Conditions of Sale as published on our Website <http://www.arnoldmagnetics.com/en-us/About/Legal>, which Terms and Conditions of Sale are incorporated into this quote, constitute material terms of this quote and we expressly reject any different or additional terms that may be included in your purchase order or other documents. This quote and any attached documents ("Quote") are valid for 30 days from the date of quote and payment terms are net 30 days unless otherwise identified on the quote. Lead times are subject to change and will be verified at order entry.

This quotation is based upon raw material prices and exchange rates applicable on the date of this quotation. Adjustments to quoted prices due to changes in the exchange rate or raw material costs, identified at the time of sale (shipment), may be put into effect at the discretion of Arnold Magnetic Technologies Corporation and its affiliates (Arnold) at any time, including after Arnold's acceptance of a purchase order. Some permanent magnet materials are subject to 3rd party patents, and Arnold certifies that only fully licensed magnet materials are supplied or used in these cases. We reserve the right to substitute functionally equivalent materials. This quote is the confidential property of Arnold. It shall not be disclosed without Arnold's prior express written consent.
