

# Welcome to virtual Fermi Summer School 2021

- Please turn your camera on if you are comfortable doing so and don't have bandwidth issues. It really helps us to see you.
  - We will not record the lectures or tutorials to create a safe space for learning
- For today's lecture, go to **Slido.com** and enter **code #558169** for questions and polls
  - Type in questions at any time during the session (they are anonymous unless you login to slido)
  - You can upvote the questions of others
  - Raise your hand in Teams if you prefer to ask an oral question .

Join us on Gather after the lecture for continued questions, discussion and networking
