

Introduction to the Fermi Users Group

FUG Meeting 12/14/22

Marcos Santander (University of Alabama)

Goals of the Fermi Users Group

- The FUG shall be the primary interface between the user community and Project over its lifetime and assist the Project Scientist in preparation for [Senior Reviews](#) of the mission during its operational phase (every ~3 years, last one in 2022).
- FUG meetings are a forum for the Guest Investigator (GI) community to provide feedback on the Fermi Science Support Center (FSSC) and the Instrument Teams with respect to the planning and execution of Fermi development and operations.

Composition of the group

- **New members**

- Alessandra Corsi (Texas Tech University)
- Wen-fai Fong (Northwestern University)
- Naoko Kurahashi Neilson (Drexel University)

- **Continuing members:**

- Laura Blecha (University of Florida)
- Paolo Coppi (Yale University)
- Justin Linford (National Radio Astronomy Observatory)
- Eileen Meyer (University of Maryland Baltimore County)
- Annika Peter (Ohio State University)
- Marcos Santander (University of Alabama, chair)

Introductions

FUG Meeting - Dec 14, 2022

Created by Judith Lea Racusin, last modified about an hour ago

Agenda (all times in EDT)
