• If you do not have a SLAC Windows or UNIX account and do not plan to obtain one, contact your SLAC sponsor or computing coordinator to obtain an account.
• If you do not see an item in the space list below you are looking for:
  ○ it could be because you are not logged in, or
  ○ you do not have the necessary permissions. To request additional privileges, please email apps-admin@slac.stanford.edu, and specify which section of Confluence you need access to.
• Need help logging in, or with something else with Confluence or JIRA? Check the FAQ or email apps-admin@slac.stanford.edu
• For general IT Help at SLAC: call the IT Service Desk at 650-926-4357 or go to https://it.slac.stanford.edu/support
• Scientific Computing: https://confluence.slac.stanford.edu/display/SCSPub/Home

How do I?

• Change my e-mail or name?
• Change my Crowd password? (Does not work for Unix or Windows accounts; see https://password.slac.stanford.edu for Unix and Windows accounts)
• Reset a forgotten or expired userid or password? (Again, does not work for Unix or Windows accounts; contact the SLAC IT Service Desk for those)
• Request a new space for a group or collaboration?
• Set up a personal space

For other Confluence support issues, send email to apps-admin@slac.stanford.edu or open a Service Now ticket.
