SLAC Confluence Home

This is the home page for Confluence at SLAC.

Usage of this system is subject to SLAC's Acceptable Use Policy

SLAC employees and users with a Windows or UNIX account can proceed to sign in here

- If you do not have a SLAC Windows or UNIX account and do not plan to obtain one, you can request a crowd account to access Confluence.
- If you do not see an item in the space list below you are looking for:
  - it could be because you are not logged in, or
  - you do not have the necessary permissions. To request additional privileges, please email confluence-admin@slac.stanford.edu, and specify which section of Confluence you need access to.
- Need help logging in, or with something else? Check the FAQ or email ithelp@slac.stanford.edu

How do I?

- Change my e-mail or name?
- Change my Crowd password? (Does not work for unix or windows accounts.)
- Retrieve a forgotten userid or password?
- Set up a personal space?

For other support issues, including requests to create new spaces, please contact confluence-admin. See also the full confluence documentation or Support info.

Space Category

A category is used to group together a list of spaces. You can display a category's spaces by selecting a category from below:

View Spaces with Category:
Fermi Workshop Project Atlas Glast IIC Drd Lsst Lcls Sccs Experiment Group Instrument Cdms Collaboration Documentation Ocio lepm-bw Rce Pinger Cta

AntiCoincidence Detector
An area for discussions, updates, plans, etc

Beam Test 2006
Beam Test 2006

Calorimeter
Calorimeter software

Core Meeting
Core Meeting Reports and Minutes
