- If you do not have a SLAC Windows or UNIX account and do not plan to obtain one, you can [request a crowd account](#) to access Confluence.
- If you do not see an item in the space list below you are looking for:
  - it could be because you are not logged in, or
  - you do not have the necessary permissions. To request additional privileges, please email [apps-admin@slac.stanford.edu](mailto:apps-admin@slac.stanford.edu), and specify which section of Confluence you need access to.
- Need help logging in, or with something else with Confluence or JIRA? [Check the FAQ](#) or email [apps-admin@slac.stanford.edu](mailto:apps-admin@slac.stanford.edu)
- For general IT Help at SLAC: call the IT Service Desk at 650-926-4357 or email [it.help@slac.stanford.edu](mailto:it.help@slac.stanford.edu)

**How do I?**

- Change my e-mail or name?
- Change my Crowd password? *(Does not work for Unix or Windows accounts; see [password.slac.stanford.edu](mailto:password.slac.stanford.edu) for Unix and Windows accounts)*
- Reset a forgotten or expired userid or password? *(Again, does not work for Unix or Windows accounts; contact the SLAC IT Service Desk for those)*
- Request a new space for a group or collaboration?
- Set up a personal space

For other Confluence support issues, send email to [apps-admin@slac.stanford.edu](mailto:apps-admin@slac.stanford.edu) or open a [Service Now](#) ticket.
