# CSpad Alignment - v2011-05-25

CSPad image, image slice, and spectrum

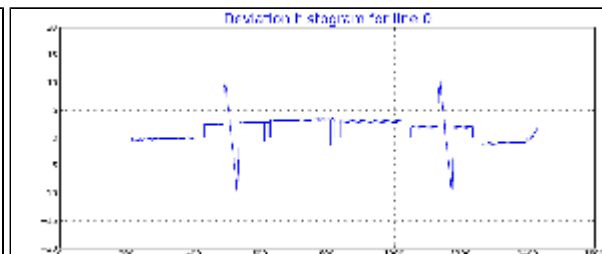

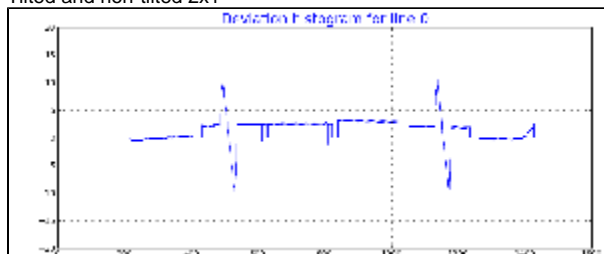

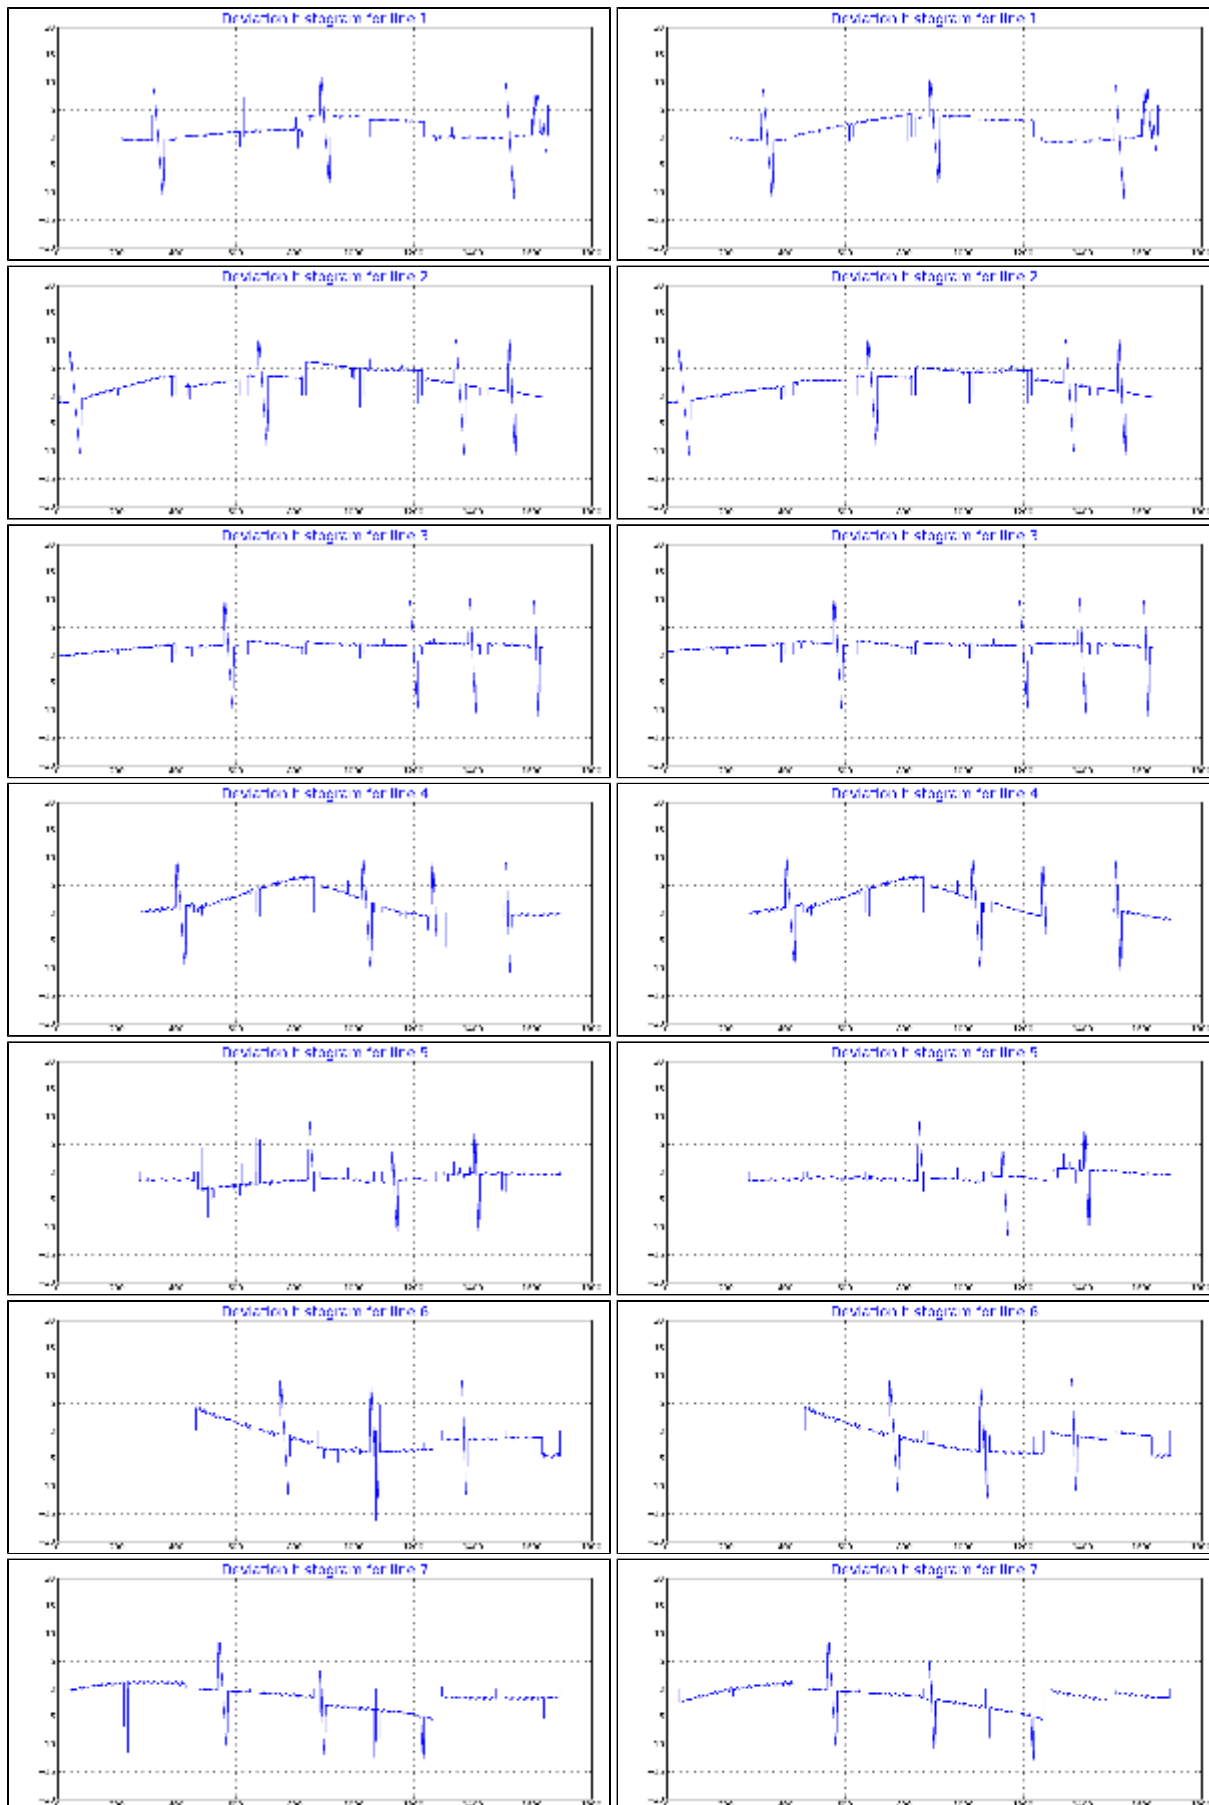

Lines for algorithm are roughly consistent with wires.

Deviation of the wire-shadow average from the line

"Horizontal" wires

Tilted and non-tilted 2x1

Deviation histogram for line 1

Deviation histogram for line 2

Deviation histogram for line 3

Deviation histogram for line 4

Deviation histogram for line 5

Deviation histogram for line 6

Deviation histogram for line 7

"Vertical" wires

Tilted and non-tilted 2x1
