ft2Util_2 Code Review

EVO Meeting June 7, 2011 10 AM Pacific

[Doxygen documentation using HEAD](#) from CVS obtained on June 3, 2011

[doxygen generation log](#)

[build.log](#)

Giacomo's Presentation for the EVO Meeting: [here](#)

[Jim's Notes](#)

Some more notes

Does the unit test work?

Need SCons build support

When will ft2Util_2 be moved from out of users area in CVS?

Should bring doc/release.notes up to date

Need some doxygen doc in mergeFT2
