

Confluence & JIRA Outage on July 12, 2011 from 1900-2030 PDT

Confluence and JIRA will both be unavailable on Tuesday July 12, 2011 from 7 PM PDT to 8:30 PM PDT. During the outage apps-admin will perform system administration work. Confluence and JIRA will be intermittently available and should be considered unavailable.

Please send comments or questions to confluence-admin@slac.stanford.edu.
