> To: Cottrell, Les
> Subject: Sub-Saharan Africa
>
> Les,
> I'm headed to a meeting on "knowledge infrastructure" in developing countries, being held in S.Africa on Monday and Tuesday.
> Have you done any of your presentations lately that are focused (or at least include) statistics related to Sub-Saharan Africa?
> Central America and the Caribbean is the second area this group is interested in.
>
> Regards,
> Don
