Crowd, Confluence, JIRA and SLAC Forum outages on July 18 2012

Crowd, JIRA, Confluence and SLAC Forum will be unavailable on Wednesday July 18, 2012 for scheduled outages.

- Crowd, JIRA and SLAC Forum from 6:00 PM to 6:30 PM PDT.
- Confluence from 6:00 PM to 6:45 PM PDT.

During the outage apps-admin will perform system administration maintenance work. Crowd, Confluence, JIRA and SLAC Forum will be intermittently available and should be considered unavailable. Applications integrated with Crowd for authentication will be unavailable. This includes Confluence, JIRA and SLAC Forum.

Please send comments or questions to apps-admin@slac.stanford.edu.
