

PingER Regions

#The PingER Regions are defined in the NodeDetails Oracle database.

#For reference a copy is provided here.

Africa
Antarctica
Central Asia
East Asia
Europe
Latin America
Middle East
North America
Oceania
S.E. Asia
South Asia

The [SLAC PingER Hosts per country](#) web page gives a count of hosts per country and by region. It also refers (at the bottom) to other relevant files.

Below is a map of the PingER Regions. There is also a [spreadsheet](#), see tab World_Outline1.

The map of PingER regions is shown below:
