

Shift Training

Dear colleagues,

Since there have been questions on how to get trained and how to qualify for the different central shift tasks and sub detector shifts, we made a little summary of the documentation that exists on that point (see below). We also quote the contact persons for the different shift tasks. We hope that facilitates becoming a shifter in the ACR!

Best regards,
Benedetto & Martin

Shift Leader:

There is usually 1 training session per month.

You can find more info (including the next training sessions) on the shift leader twiki:

https://atlasop.cern.ch/atlas-point1/twiki/bin/view/Main/IShiftLeaderInstructions#Upcoming_Trainings_for_Shift_Lea <https://atlasop.cern.ch/atlas-point1/twiki/bin/view/Main/IShiftLeaderInstructions#Upcoming_Trainings_for_Shift_Lea> https://atlasop.cern.ch/atlas-point1/twiki/bin/view/Main/IShiftLeaderInstructions#Upcoming_Trainings_for_Shift_Lea <https://atlasop.cern.ch/atlas-point1/twiki/bin/view/Main/IShiftLeaderInstructions#Upcoming_Trainings_for_Shift_Lea> For questions please contact the run coordinators.

Run Control:
