

PingERLOD publications etc.

We submitted a paper on "Linked Open Data Publication Strategies: Application in Networking Performance Measurement Data" to the Academy of Science 2014 Bigdata / SocialCom / Cybersecurity conference at Stanford May 27-31. At the conference we also presented a poster that was well attended. See <https://confluence.slac.stanford.edu/display/IEPM/Papers+and+Presentations> for access to the paper and poster.

Participants at poster	Authors L-R Renan, Les, Bebo, Maria	Renan & girlfriend Giselle
