

SDK Download and Installation

For users at SLAC, the [RCE SDK](#) can be copied from:

```
/afs/slac/www/projects/CTK/SDK/rce-sdk-latest.tar.gz
```

External users can download over the web:

```
wget http://www.slac.stanford.edu/projects/CTK/SDK/rce-sdk-latest.tar.gz
```

Once downloaded, install only on a RHEL5/6 or SL5/6 linux host.

Install by extracting the download using tar.

For example:

```
mkdir <your_sdk_dir>
```

```
cd <your_sdk_dir>
```

```
wget http://www.slac.stanford.edu/projects/CTK/SDK/rce-sdk-latest.tar.gz
```

```
tar -xzf rce-sdk-latest.tar.gz
```
