

# MC Run Numbers

There are several run numbers which can be used to activate conditions for MC studies.

Run Start	Run End	Description
1000000	1000010	L0 & Hodoscope conditions for summer 2019
1000000	1000000	beam energy at 4.4 GeV
1000001	1000001	beam energy at 6.6 GeV
1000011	1000011	beam energy at 4.55 GeV with Eng Run svt_daq_map
5772	5772	Eng Run 2015 conditions
7000	8999	Phys Run 2016 conditions

There are run 0 conditions which exist in the database but they should not be used as the reconstruction will not run correctly with them!
