

# Pipeline II Frequently Asked Questions (FAQ)

This page allows the Pipeline II user community to find and provide answers to frequently asked questions. See [How can I add an entry to this FAQ?](#) for details.

The questions have been separated into the following categories (please feel free to add new ones):

- [General](#)
- [Scriptlets](#)

## General

- [How can I add an entry to this FAQ?](#)
- [How can I check the validity of my Pipeline II XML?](#)
- [How can I find out what is being worked on?](#)
- [Can I run pipeline II jobs "interactively"?](#)
- [How can I resend lost pipeline\\_summary files?](#)

## Scriptlets

- [How can I send e-mail from a scriptlet?](#)
