

# DOE BES 5 Light Source (5LS) Remote Access Working Group

This space is brought to you by the Remote Access Working Group (RAWG) for the 5 DOE BES Light Sources (5LS). Over the next few months, we will be adding pages to this space to share new ideas, best practices, and training information on remote access to light sources. We are also sponsoring a [forum series](#).

Feel free to reach out to any member of the RAWG with questions or comments:

Dula Parkinson, ALS  
Alec Sandy, APS  
Suresh Narayanan, APS  
Alex Wallace, LCLS  
Stuart Wilkins, NSLS II  
Lisa M Miller, NSLS II  
Ritimukta Sarangi, SSRL  
Kevin H. Stone, SSRL
