About NoMachine & Accessing up PSANA remotely

Info from Bhavna Nayak, I'm rewriting it as going threw steps...

- Ref:
  - LCLS Data Analysis
- Steps
  1. Kaz will setup LCLS account... after getting that, move on to next step.
  2. Kaz NoMachine Psana Tutorial [vid][doc] Flow video for steps, very clear
     a. SSH for small edits [MoabXterm]
     b. Download for NoMachine [link]
        i. NoMachine is better for images
- FAQ
  - I can't SSH into PSLOGIN or PSDEV... what do I do?
