

# Bringing Visitors to FACET S20

Had to make this page because the links are so hard to find. . . as Christine would say "grrrrr"

## For Individual Visitors

Fill out this form for the visitor:

[https://erp-hprdext.erp.slac.stanford.edu/psc/hprdext/EMPLOYEE/HRMS/c/SL\\_DOE\\_FACT.SL\\_DOE\\_FACTS\\_USER.GBL?source=Visitor&](https://erp-hprdext.erp.slac.stanford.edu/psc/hprdext/EMPLOYEE/HRMS/c/SL_DOE_FACT.SL_DOE_FACTS_USER.GBL?source=Visitor&)

If that link is broken: Go to SLAC today, at bottom right click "Site Access website", then "Visitors" link

Use this form to get them a badge:

<https://www-group.slac.stanford.edu/esh/eshmanual/references/radFormDosimeterRequestB.pdf>

Coordinate their visit during a PAMM or downtime (check #PAMM channel) and with Area Manager Emad Hamrah.

Note: If FACET is classified as a Radiation Area, then more lead-time is needed, or a tour might not be possible at all depending on conditions.

## For Group Tours

Fill out: <https://internal.slac.stanford.edu/communications/requests/tour-approval>

Or they can self-register depending on the reason for the visit:

<https://vue.slac.stanford.edu/content/slac-site-access-portal>

Then you need to acquire a tour badge:

<https://www-group.slac.stanford.edu/esh/eshmanual/references/radFormDosimeterRequestC.pdf>
