

SLAC SiD Workshop March 2- 4 2009

The Silicon Detector Design Study will hold a Workshop at SLAC on March 2-4, 2009 to finalize the SiD Lol, review and discuss the R&D required for a viable SiD proposal, and plan SiD's future.

Everyone participating in the SiD Letter of Intent and beginning work on SiD's Technical Design Phase is encouraged to come. Newcomers, interested in learning more about SiD and working on the next steps, are most welcome.

You can register for the workshop [here](#) and you can sign up for the collaboration Dinner [here](#)
