

General Software Meeting Agenda

New Old Time! Starting September 8, 2009

Meetings are held via teleconference on Tuesdays, 08:00 Pacific time (11:00 Eastern; 17:00 Europe) using the CalTech [EVO](#) system. We do not use video.

Please avoid an open mike, which may cause echoes. See the [evo](#) help. For further information be sure to have a look at the [VRVS Etiquette](#) page.

For minutes, see [index to Core minutes](#). The meetings merged as of Jan. 15, 2008.

Other attachments and ancillary pages are [here](#).

Old agendas can be found [here](#).
