OpsSim2 Tomcat Restarts

The idea of this page is to track how often we need to restart tomcat servers during opssim2, along with any information about the problem/symptoms.

Date	Time	Server	Comments
3/5/08	9:26	tomcat07	The server was running OK when access directly from glast-tomcat07, but the connector from IIS did not seem to be responding
3/5/08	11:00?	tomcat07	The server was running OK when access directly from glast-tomcat07, but the connector from IIS did not seem to be responding
